*Providing Personalized
Home Health Care
& Support Services*

tailor-made to your needs

Serving our community
since 1990

Harmony's management, office & field personnel are committed to enhancing independence & quality of life by delivering safe, compassionate care to our clients.

We named our company Harmony Health Care to reflect our ideals:

service to the community
recognizing & honouring
the best in each other

Our goal is a health service offering individualized attention & a caring response to the needs of all.

In your home, hospital or residential care setting

What people are saying!

"Your support, suggestions & opinions were greatly appreciated, and I somehow feel I could not have gotten through the last 5 months without you all." — B.B.

"Thank you for all you have done for my parents over the past five years. Through all the ups & downs I learned that I could count on Harmony to be there and take charge, on many occasions at a moment's notice." — M.B.

"I will continue to sing your praises. Your people have shown integrity, kindness, patience & quality of caring ... the extra mile." — M.F.

"Your assistance has allowed me to live independently in my home for over 12 years...I am so grateful!" — G.G.

"I've been a team member of Harmony for nearly two decades. I'm happy to work where my contribution is valued and makes a difference." — J.D.
